Opening Words: **#488**

Chalice Lighting:

We light this chalice
To symbolize our unity and diversity.
Just as the flame in this chalice has patterns
and differences,
So do we have patterns and differences with
each other.
Just as the base of this chalice forms a solid
foundation for the flame to grow on,
So do we form solid foundations for others to
grow on.
And just as the fire in this chalice creates light
and warmth for all around it,
So do we create light and warmth through love
and friendship for all around us.
