Prelude

Opening Words and Welcome:

*As Surely as We Belong to the Universe by Margaret A. Keip*

As surely as we belong to the universe  
we belong together.  
We join here to transcend the isolated self,  
To reconnect,  
To know ourselves to be at home,  
Here on earth, under the stars,  
Linked with each other

Chalice Lighting: ( by Maureen Killoran)

For every time we make a mistake and decide to start again;  
***We light this chalice.***  
For every time we are lonely and we let someone be our friend;  
***We light this chalice.***  
For every time we are disappointed and choose to hope;  
***We light this chalice.***

Postlude

**CAN YOU FEEL THE LOVE TONIGHT**

**And can you feel the love tonight  
It is where we are  
It's enough for this wide-eyed wanderer  
That we got this far**

**And can you feel the love tonight  
How it's laid to rest  
It's enough to make kings and vagabonds  
Believe the very best.**
